

# YOUTUBE UPLOAD INSTRUCTION

Upload your own made video resume marked “private” on to YouTube

- » Surf to <http://www.youtube.com/>
- » Create a YouTube account or sign in if you already have an account.
- » Click on the Upload button (top right corner).
- » Next click on the Record button (using your webcam).
- » Your webcam will be activated and you can start recording your video resume.
- » If you already have a video resume you can upload the file directly by clicking Select files to upload (or Drag and drop video files).
- » If you are satisfied with your recordings you can Publish your video.
- » Make sure to add your personal details in the description field, add any tags.
- » and/or key words if you feel it is relevant.
- » Please note the Privacy settings: Opt for Private or Unlisted making sure not everyone with the link can view your video resume. Don't forget to authorize us by adding our mail address ([info@semare.com](mailto:info@semare.com)) before saving.
- » Copy & Paste the link using our web form or mail the link directly to SEMARE.
- » Make sure to save any changes before you close YouTube.

**Congratulations with your own, personal video resume!**

*Do not forget to send SEMARE the link of your video resume using the web form or by mailing us directly.*

*We will contact your shortly.*
